

Yonsei Materials Forum 2021

Gerbrand Ceder (*University of California, Berkeley*)

Novel Materials Design for Energy Storage Technologies

Feb 23 2021, 10 am

Link : <https://us02web.zoom.us/j/81283414307>

Ted Sargent (*University of Toronto*)

Using Nanomaterials to Build Molecules

Mar 2 2021, 9 am

Link : <https://us02web.zoom.us/j/82147756064>

Kostya Novoselov (*University of Manchester*)

Materials in the Flatland and the Future of Material Design

Mar 3 2021, 11 am

Link : <https://us02web.zoom.us/j/87661356028>

Hongjie Dai (*Stanford University*)

Nanotechnology for Energy Conversion and Storage

Mar 4 2021, 10 am

Link : <https://us02web.zoom.us/j/82978073772>

Teri Odom (*Northwestern University*)

Frontiers in Optical Materials and Nanophotonics

End of March, TBA

Link : <https://us02web.zoom.us/j/89088378671>

Chad Mirkin (*Northwestern University*)

Approach to Next Generation Nanomedicine

Early in April, TBA

Link : <https://us02web.zoom.us/j/88636781017>

Department Chair: Jae-Chul Pyun (jcpyun@yonsei.ac.kr)

BK Program Chair: Cheolmin Park (cmpark@yonsei.ac.kr)

Contact for information: Wooyoung Shim (wshim@yonsei.ac.kr)

Department of Materials Science and Engineering, Yonsei University
